You Oughta be in Pictures!

Want to give your new baby a gift created just for her? **Created 4 Me's** beautiful picture book *My Name in Lights* is just your ticket!

The letters of the alphabet come alive on the left side pages and each holds a banner displaying the highlighted name. The letter of the name being "presented" is highlighted in red on the banner. On the right side is a stage where the animated "performers," each beginning with the emphasized letter, are illustrated. For example, the first page for "Ashley" will feature a performing "A" and the right side will star an

apple, airplane, and an alligator. Author Susan Hiller worked with illustrator Bob Fuller to create 75 stage illustrations, so it is nearly impossible for two pages to be the same if a letter repeats in a child's name.

When the child's name is completed, he or she will meet the "Cast of Characters" (all the letters of the alphabet) at the end of the book. The cast of characters is also available as an 18" X 24" poster perfect for framing and topping off your baby's new nursery. Each book also includes a special name poem and a dedication page where you have the option of including the child's birth date or dedication date and a special message.

"My Name in Lights" retails for \$33.95 and the Cast of Characters poster is available for \$10.95. Books and posters can be ordered on-line at created4me.com, or by phone (toll free: 1-888-887-6263, that's 1-888-887-NAME) and by fax (toll free: 1-888-828-6263).
